- Mid Penn Conference Swimmers must qualify to swim in the Mid Penn Conference Swimming Championships provided they can produce documentation to support the fact that during the current High School season they swam an official PIAA race in, or faster than, the Qualifying Time listed above. **The qualifying time listed above does not guarantee entry into the meet. The number of participants will be based on the top 32 times for Relay events and the top 32 times for individual events.** Each team shall be permitted to enter a maximum of 2 relays in the relay events and 4 individuals in the individual events. We will fill out the field of 32 should we not have enough individuals who have not met the qualifying guideline.
- The above Qualifying Times are for the 2011 Mid Penn Championships and will be re-evaluated at least annually by a Committee selected and led by the Mid Penn Swimming and Diving Chairperson.
- In order to provide sufficient recovery time between Championship races, medals will be given and swimmers recognized after the Boys race for each swimming event. *The coach of the each medal-winning swimmer will present the medal to their athlete?*

 - Mid Penn Conference Swim School swimmers that did not qualify for the Mid Penn Championships may swim at the Polar Bear Plunge. *You cannot swim in both meets.*
 - There will essentially be two competitions within the meet – (1) The Polar Bear Plunge for those swimmers from Mid Penn high schools having a swimming and diving team and who do

not make the Mid Penn Qualifying Time and (2) a Non-Swim School Meet for those swimmers from District III schools without swimming teams that may have posted times faster than the Qualifying Times for the Mid Penn Championships... *with Boys and Girls mixed in each event.*
- *Each Swim School will be allowed a maximum of two entries in each relay (200 Medley Relay and 200 Free Relay).* In order to qualify for an individual event, swimmers must either (a) have a current season-best time that is SLOWER THAN the Mid Penn Qualifying Time for that event or (b) be from a Non-Swim school.
